Employees receiving their pay through direct deposit should see it hit their bank account Friday of the pay week and will receive a copy of their stub either electronically or from their Supervisor. Timing of ACH postings is determined by the depositing bank's processing.

Employees receiving a paper check can pick them up at the front desk at the Perry Farmhouse the Friday of pay week after 12:00 pm. Checks not picked up by the following Tuesday morning will be mailed to the home address we have on file.

Returning employees need to make sure any changes to their banking or contact information have been reported to HR.
